Instructions

Do not arrive more than 15 minutes before the scheduled time.

Arriving earlier than your scheduled time does not mean that you will be interviewed sooner. If you arrive earlier, you will not be allowed to enter and will be required to remain outside.

Please do not bring pre-paid envelopes for the passport return at the interview. This is no longer a requirement.

In order to facilitate speedy entry into the building, please read our security notice on prohibited items: http://photos.state.gov/libraries/frankfurt/9318/consular_pdf/Security%20Notice%20for%20Consular%20Customers.pdf

Please ensure that your mailing address under your profile is a valid Germany address that is correct and complete.

If you are not the main resident, please provide the name of the resident or the company name that is on the mailbox or doorbell in Form of C/O. Failure to do so, can result to Passport delivery delays, returns or loss due to invalid mailing addresses provided.

You may change your preferred document delivery address through your profile on ustraveldocs.com/de or through the call center until midnight the day of your interview appointment. There is no cost to change your delivery preferences.

We strongly advise you not to change the pick-up location after the time limit. Any changes to your desired pick-up location after this time limit will lead to a delay in your passport delivery.

You are not allowed to enter the U.S. Embassy or Consulate while carrying any of the following items:

- Electronic devices such as mobile phones, laptops, iPods, iPads, internet-capable watches, USB sticks, cameras, video cameras, Transaction Authentication Number (TAN) generators or code keys
- Firearms, explosives, sharp objects such as scissors, pen knives or nail files or edged weapons
- Chemical agents, liquids, gasses and sprays, liquid cosmetics, perfumes and small glass mirrors
- Large bags such as suitcases and backpacks
- Sealed envelopes or packages

This list is not exhaustive. Other items may be prohibited at the discretion of security staff. To speed the entry process, we generally recommend you not bring anything not needed for the application process.

Bring to the attention of the guards any baby food or essential medications (in plastic containers only, NO glass).

There is no facility at the U.S. Embassy or Consulate to store prohibited items. You must make arrangements to store these items before entering. Due to security considerations, there is no information window for walk-in visitors at the U.S. Embassy or Consulate. Only applicants with scheduled interviews will be admitted.
